EDUCATION

Bachelor's in Software Engineering 2019 - 2023
National University of Computer and Emerging Sciences-FAST, Karachi
GPA: 2.9

Higher School Certificate (HSC)
Govt. Degree College Science and Commerce, Gulshan-e-Iqbal.

PROGRAMMING LANGUAGES

- C/C++
- C#
- Java
- Python
- SQL/MySQL
- HTML/CSS/PHP
- JavaScript

LIBRARIES / PACKAGES

- numpy
- matplotlib
- pandas
- javax.swing
- Bootstrap
- ReactJS
- JUnit Testing

QUALITIES

- Exceptional Problem-Solving Skills
- Works well in Leadership / Guidance
- Willingness to learn more
- Quick Learner
- Detail-oriented
- Positive Attitude

EXPERIENCE

Freelance work through Fiverr 2021-present
Fiverr

PROJECTS

Library Management System Mar 2022 - May 2023
A Library Management System was built using HTML/CSS/PHP and JavaScript.

Graph Analysis Sept 2021 - Dec 2021
Graphs were set and analyzed for efficient paths. This was done in python using numpy, matplotlib and networkx.
Implemented Algorithms:
1. Shortest Paths Algorithms: FloydWarshall, Dijkstra and Bellman Ford shortest path.
2. Minimum Spanning Tree Algorithms: Kruskal's, Prim's, Borvuka's MST.

Checkers Board Game Apr 2022 - May 2022
Checkers, a two player board game was built in Java using java.awt and javax.swing.
