Muhammad Ibad Saleem

Data Science Intern @ MMC | FAST'23 | Data Scientist | Data
Enthusiast
Karāchi, Sindh, Pakistan

Summary

Undergraduate Student with a keen interest in the field of Data Science and Artificial Intelligence (AI). Having worked as a Data Science and AI intern, I possess key skills to perform data preprocessing, predictive analysis, data modelling, building machine learning models and extracting useful information from the raw and processed data using cutting edge technologies. I am always striving to learn new technologies and tools to perform operations efficiently
